

HDFC Ergo Optima Restore Individual Health Insurance

Insurer: HDFC Ergo General Insurance Company Limited

UIN: HDFHLIP20119V011920

Type: Individual Health Insurance

KEY FEATURE - RESTORE BENEFIT

The sum insured is automatically and completely restored once it is exhausted during the policy year. The restored amount can be used for the same illness or a different illness. Restore benefit activates within 24 hours of claim settlement. No additional premium is charged for this restore benefit. This means a 10 Lakh policy effectively provides 20 Lakh coverage if the first amount is exhausted.

Age 46 to 55 years: 3 Lakh cover Rs 16000 per year. 5 Lakh cover Rs 22500 per year. 10 Lakh cover Rs 31000 per year. 15 Lakh cover Rs 41000 per year.

Age 56 to 65 years: 3 Lakh cover Rs 24000 per year. 5 Lakh cover Rs 33500 per year. 10 Lakh cover Rs 46000 per year. 15 Lakh cover Rs 61000 per year.

INCLUSIONS - WHAT IS COVERED

Inpatient hospitalisation is covered fully with no room rent sub-limit meaning any room category including private suite is covered. ICU charges are covered fully with no sub-limit. Pre-hospitalisation expenses covered for 60 days. Post-hospitalisation expenses covered for 180 days which is best in class. Day care procedures - more than 540 procedures covered. Air ambulance covered up to Rs 250000. Road ambulance covered up to Rs 2000. Organ donor expenses covered up to Rs 100000. Mental health treatment including psychiatric care and therapy is covered up to sum insured which is unique in Indian market. Modern treatments including robotic surgery proton beam therapy and oral chemotherapy are covered. No Claim Bonus gives 50 percent increase per claim-free year with maximum of 100 percent. NCB protector feature protects bonus even if one claim is made.

WAITING PERIODS FOR PRE-EXISTING CONDITIONS

Diabetes Mellitus: waiting period is 36 months which is longer than Star Health.

Hypertension: waiting period is 36 months.

Asthma: waiting period is 24 months which is standard.

Cardiac conditions including angina and heart disease: waiting period is 48 months which is very long.

Initial waiting period is 30 days for all illnesses.

SUB-LIMITS

Room rent: NO SUB-LIMIT any room category is fully covered including suite.

ICU charges: NO SUB-LIMIT fully covered.

Doctor and surgeon fees: NO SUB-LIMIT fully covered.

Cataract surgery: Rs 50000 per eye.

All other procedures: no sub-limits apply.

CO-PAY STRUCTURE

ZERO co-pay for all ages at network hospitals. This means no age-based co-pay which is unique compared to competitors. Non-network hospital claims attract 20 percent co-pay.

CLAIM SETTLEMENT

Cashless facility at more than 13000 network hospitals. Reimbursement available within 30 days. Excellent Metro and Tier-2 city network. Tier-3 city network is limited so reimbursement may be needed.

KEY EXCLUSIONS

Maternity is not covered in base plan but available as add-on rider. Cosmetic surgery not covered. Dental not covered unless accidental. Obesity and bariatric surgery not covered. Infertility not covered. Alcohol and drug abuse related conditions not covered.

SUITABILITY PROFILE

Best for young professionals aged 25 to 40 wanting premium comprehensive coverage. Excellent for Metro city residents due to strong cashless network. Ideal for income band 8 to 15 Lakh and above. Zero co-pay makes it ideal for all ages. Suitability score for age 25-40 Metro income 8-15 Lakh no pre-existing disease is 96 out of 100. Suitability for Asthma patients is 82 out of 100. Suitability for Diabetes or Cardiac patients is 58 out of 100 due to very long waiting periods. Suitability for Tier-3 city income under 3 Lakh is 40 out of 100 as premium is too high.
